

EEO - Edición Española Online

Spanish academic publishing in digital format

A collection of e-books from Spanish publishers

Edición Española Online is a collection of 500 titles of academic merit in the fields of Humanities, Social Sciences and Law, selected by Casalini Libri from among the Spanish content present on **Torrossa.it**.

Economic Model

Edición Española Online may be purchased as an annual subscription which allows for unlimited visualisation of contents. Permanent access to content is not guaranteed, should the subscription lapse.

Always up-to-date

New titles and publishers will be added to the collection each year in order to offer consistently up-to-date content that is representative of Spanish academic research.

Publishers in EEO 2011

Atelier, Alfar Ediciones, Arco Libros, Bosch, Documenta Universitaria, Dykinson, Herder, Hergué, La Muralla, Milenio, Octaedro, Pagès, Sepha.

Flexibility, ease of access

Edición Española Online is accessible through www.torrossa.it, alongside other Casalini Libri digital content. Casalini Libri offers libraries the option of creating a customised collection, choosing titles from among the Spanish works available on the Torrossa platform. Customised collections are available for a minimum of 100 monographic titles or 25 journals.

Contacts

For additional details regarding the Torrossa full text platform, subscription prices, catalogues and to activate a month's free trial period, please contact us at torrossa@casalini.it.
